

MONTREUX
MUSIC &
CONVENTION
CENTRE

**40 years of events in an exceptional setting for unique experiences
and lasting memories**

Simply, Montreux

An idyllic setting

Between the shores of Lake Geneva and the Alps
In the heart of Europe
One hour from the Geneva International Airport

18'000 sqm of modular spaces

Which allow us to host a multitude of diverse and varied events, from prestigious to confidential, from highly complex to extremely simple

Auditorium Stravinski

The newly-renovated Auditorium Stravinski has become the most versatile hall in Europe in terms of functionality and acoustic performance.

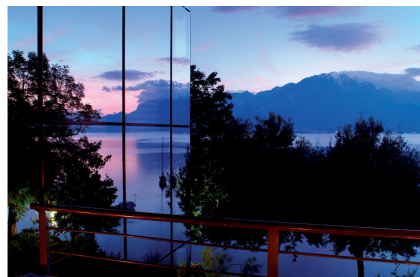

Accommodation

1'500 rooms within walking distance including the prestigious Montreux Palace of Belle-Epoque architecture.
2'500 rooms in the vicinity.

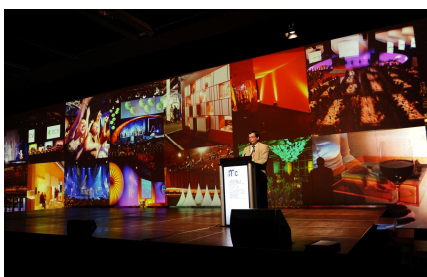

Exceptional events

Montreux Jazz Festival
XIIIth Summit of Francophony
Festival of Media

Sustainable development

Important mechanisms to reduce the environmental impact. The air conditioning of the 2m2c is provided by a waterworks taking the water from below the lake level.

State of the art technology

Last-generation audiovisual equipment, sound and lighting control consoles with multiple options. Simultaneous translation cabins, Wi-Fi, video conferencing,...

A team at your service

A team of professionals who combine a complete knowledge of the facilities with a strong desire to provide you with the advice and solutions you need.
