## MONTREUX

The town of Montreux nestles in a sheltered Lake Geneva bay, surrounded by vineyards and against the breathtaking backdrop of snow-covered Alps. Situated only one hour away from Geneva airport in the heart of the Swiss Riviera, Montreux benefits from an exceptional location, a mild climate and Belle Epoque buildings full of history.

Because of the exceptionally mild climate Montreux is called the capital of the Vaud Riviera. Plants associated with the Mediterranean, such as pines, cypresses and palm trees grow here. Charlie Chaplin, Freddie Mercury and several other famous personalities of world-renown lived and continue to live on the Vaud Riviera.

The long, flower-bordered lake promenade which links Vevey and Montreux going all the way to Chillon Castle is simply asking to be strolled along. Cultural events, such as the Montreux Jazz Festival, as well as countless excursion options to the mountainous hinterland or on the lake make Montreux a popular excursion and holiday destination. Many of the houses along the lakeside road, including the magnificent Fairmont Le Montreux Palace, date from the heyday of the Belle Epoque.

Right in the heart of Europe, Montreux is located one hour away from Geneva Airport, which connects you to Europe and the rest of the world (1000 weekly flights to more than 100 destinations).
