

SEMINARS AND WORKSHOPS

in a creative atmosphere at Blausee

BLAUSEE – A SMALL PLACE OF POWER FOR GREAT INSPIRATION!

Dear seminar organisers

'Take a day off' at Lake Blausee in the Kandertal valley. This inspiring place is surrounded by nature and water, far away from the hustle and bustle of everyday life. Here, you can develop strategies and visions, solve problems, and make room for new ideas.

Built in 1878, the small hotel with 21 rooms and suites has since developed into a gem of Swiss tourism. Spanning 22 hectares, the site is the same size as the Vatican in Rome. While we cannot offer five-star luxury, we can offer a unique nature park boasting impressive rock formations and a crystal-clear, deep blue lake.

The restaurant, banquet rooms and seminar rooms, as well as the hotel rooms and suites, are all furnished in a contemporary style. The meeting rooms are equipped with modern infrastructure for creative conferences, seminars and workshops.

Treat yourself to top-quality regional produce, including the famous Blausee organic trout, and experience our genuine hospitality.

To make sure you have plenty of fun and entertainment, we have prepared some interesting and unique supporting programmes for you.

Please note our [General Terms and Conditions](#).

Your hosts are looking forward to welcoming you!

Lena & Janis Buergi
and the entire Blausee team
