Fischersteg

The Fischerstube’s small private dock allows you to reach us by water.

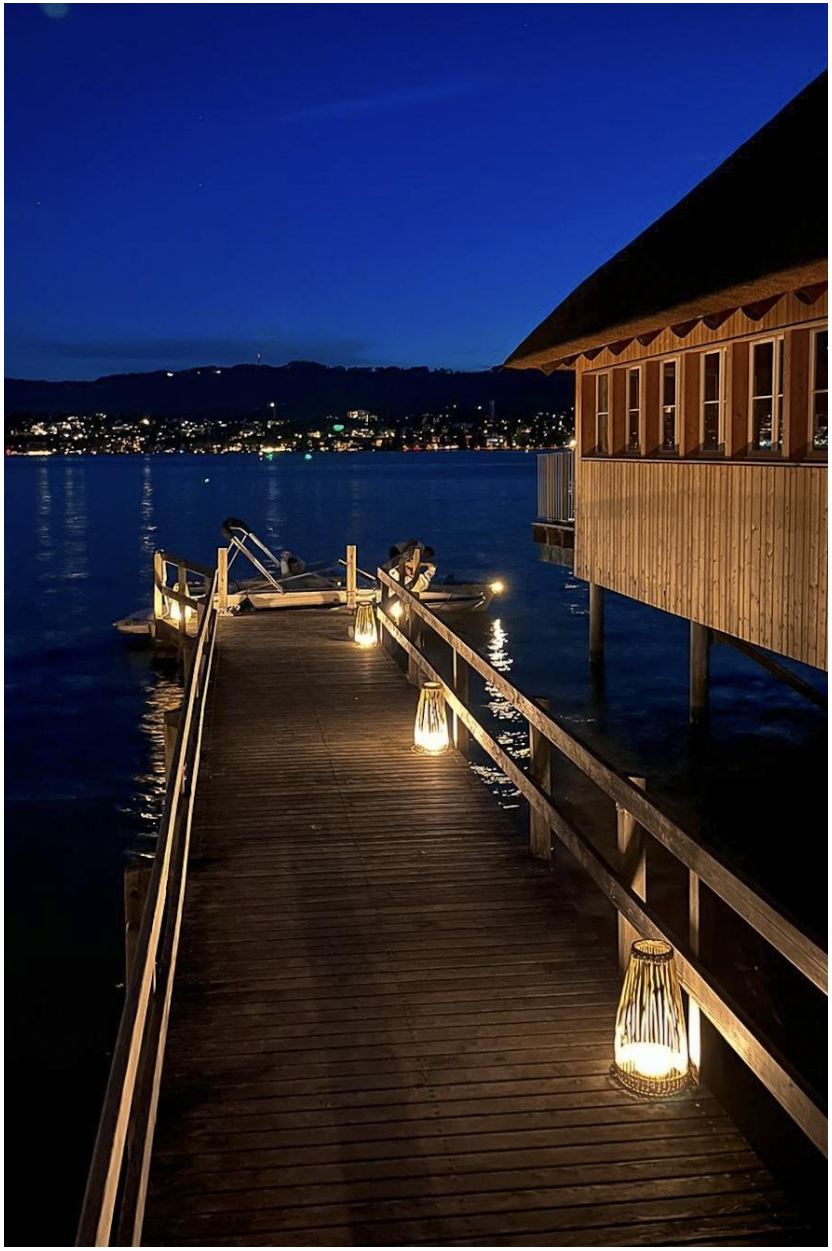

Just stop briefly, let friends board or disembark and take along a portion of fish nuggets or a chilled bottle of rosé wine? No problem.

How to find us

Location

Fischerstube Zürihorn, Bellerivestrasse 160, 8008 Zurich

Google Maps

Opening hours Fischerstube

Mon to Sun: 11:30–23:00 (kitchen until 21:30)
* Fischer Lunch daily until 15:30 Uhr

Getting there

Take tram 11 or 15 to Fröhlichstrasse. From there it is only a short walk along the lake to Fischerstube at Zuerihorn. Alternatively, take the S-Bahn S6 or S16 to Zurich Tiefenbrunnen and walk along the lake towards Zuerihorn for about 10 minutes. Parking is available, among other places, at the Zürihorn parking garage.

Taxi boat

You can also reach us by water taxi. From various points along the lake (for example the registry office at Stadthausquai), a taxi boat can bring you directly to our private dock, the Fischersteg. This is certainly the most beautiful way to arrive at the Fisher Village.

We recommend the providers Pier7 and Taxiboot Zurich.
