Every journey begins with a first step.

## Unforgettable for all the right reasons

Whether it's an intimate elopement or a weekend festival, a classically-inspired dinner or an alternative apero, flora or fauna – you can rest assured that we know the best planners, designers, chefs and entertainers to create a wedding that you and your guests will never forget.

## Your day, your way

A Le Bijou wedding is all about you. We take the stress out of planning by offering a set of modular options that you can put together in your own way. Once this framework is established, we get to work creating a completely bespoke event that perfectly captures your ideas and personality.

## It's Personal

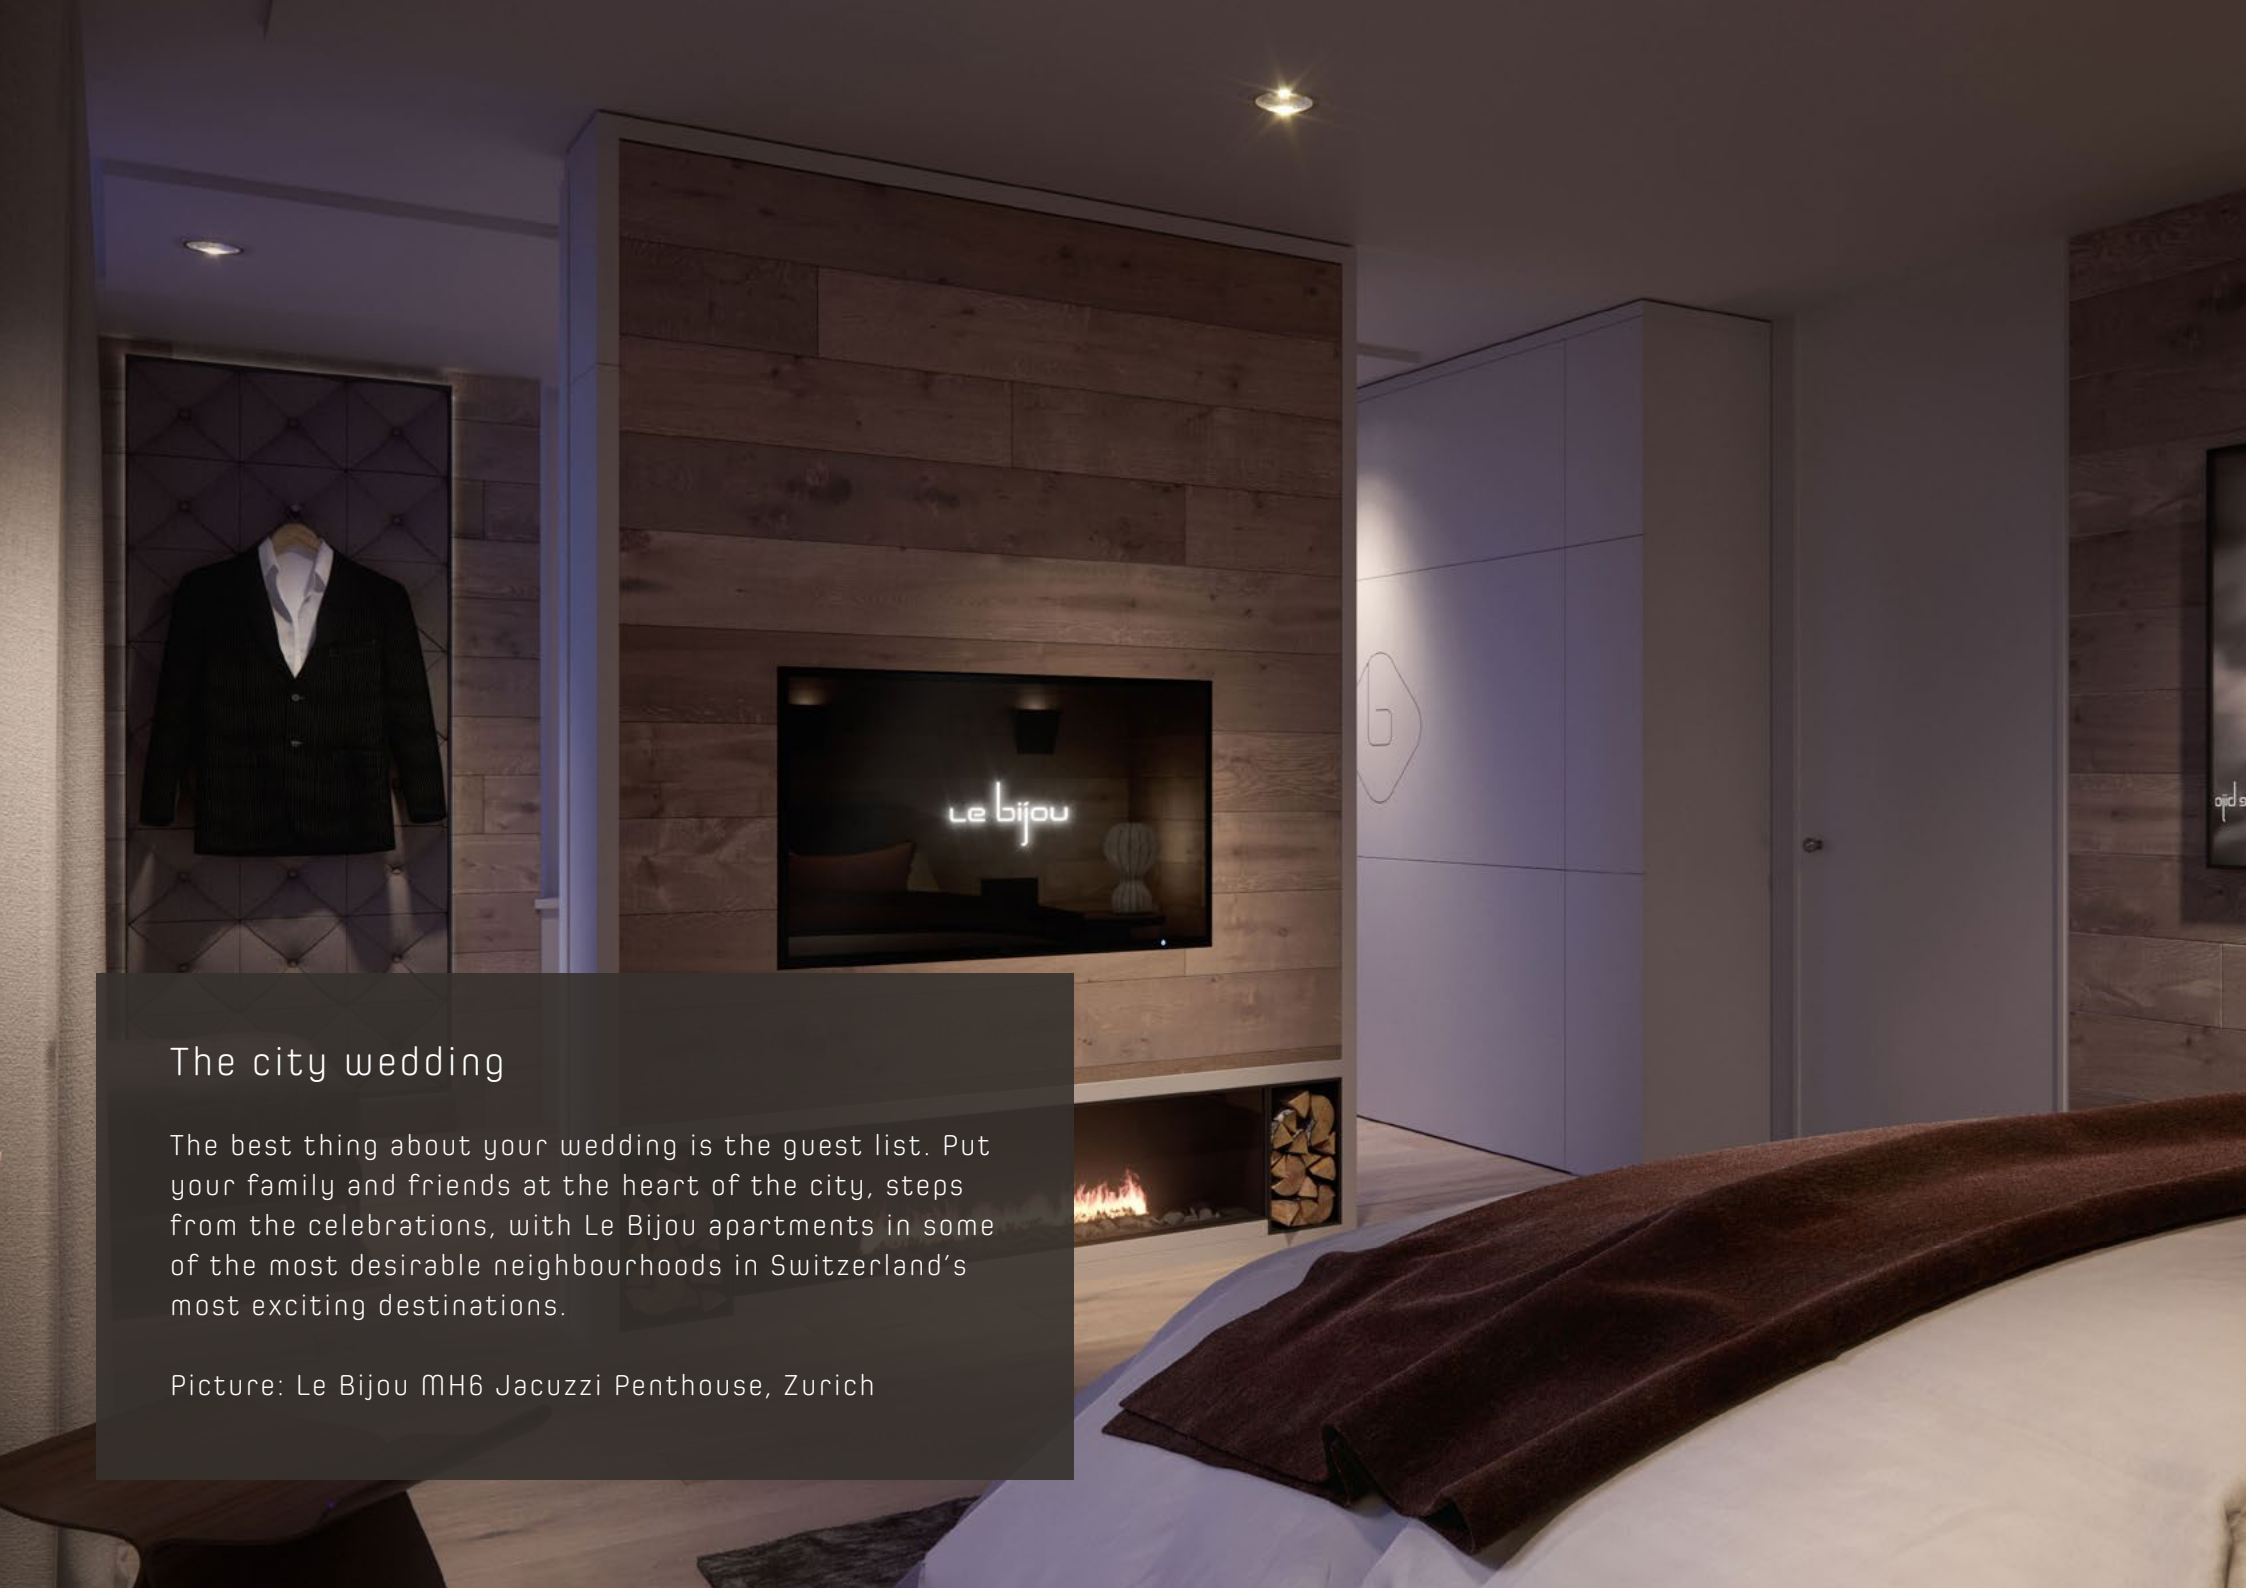

From personalised wedding invitations and guest list management, to bespoke photo albums and branding, the Le Bijou wedding team work with you on every detail to ensure that your wedding really is your wedding.

## Destination Le Bijou

Our collection of city-centre apartments place your guests on your doorstep. Perfect for pre-day dinner, bridal preparations, or dancing until dawn against the backdrop of sleek contemporary design and sweeping city views.

## The ultimate honeymoon suite

Le Bijou is five-star hotel service — without the other hotel guests. That means no more bumping into strangers in the spa, or waiting for check-out. Feel like staying in? No problem, each apartment is equipped with a fully furnished professional kitchen, and we can organise private catering or delivery from local restaurants.

The background is filled with lush green plants, possibly bamboo, which are lit from below, creating a soft glow. The sky is dark, suggesting it is nighttime.

And relax...

Working with experienced beauticians and spa therapists, we can organise a range of wellness treatments. Prewedding beauty prep or honeymoon couples massage — all in the privacy and comfort of your apartment.

## A dash of Romance

However you want to celebrate before or after the wedding, Le Bijou has it covered. A secret swimming spot and private beach picnic, an afternoon exploring the treasures of the deep, a tour to find a hidden lakeside gem — it's your party, we just make it happen.

## Exceptional cuisine, by Le Bijou

We work with a carefully curated selection of talented chefs, turning a wedding at Le Bijou into a gourmet adventure. Whether it's an intimate elopement with a flying apero, or a more elaborate banquet, we will find the perfect chef and catering team to turn your epicurean ideas into reality.

## World-class entertainment

We know all eyes will be on you, but for those moments when you want to give your guests something extra, we organise premier entertainment and the best local and international musical talent.

## Time to toast

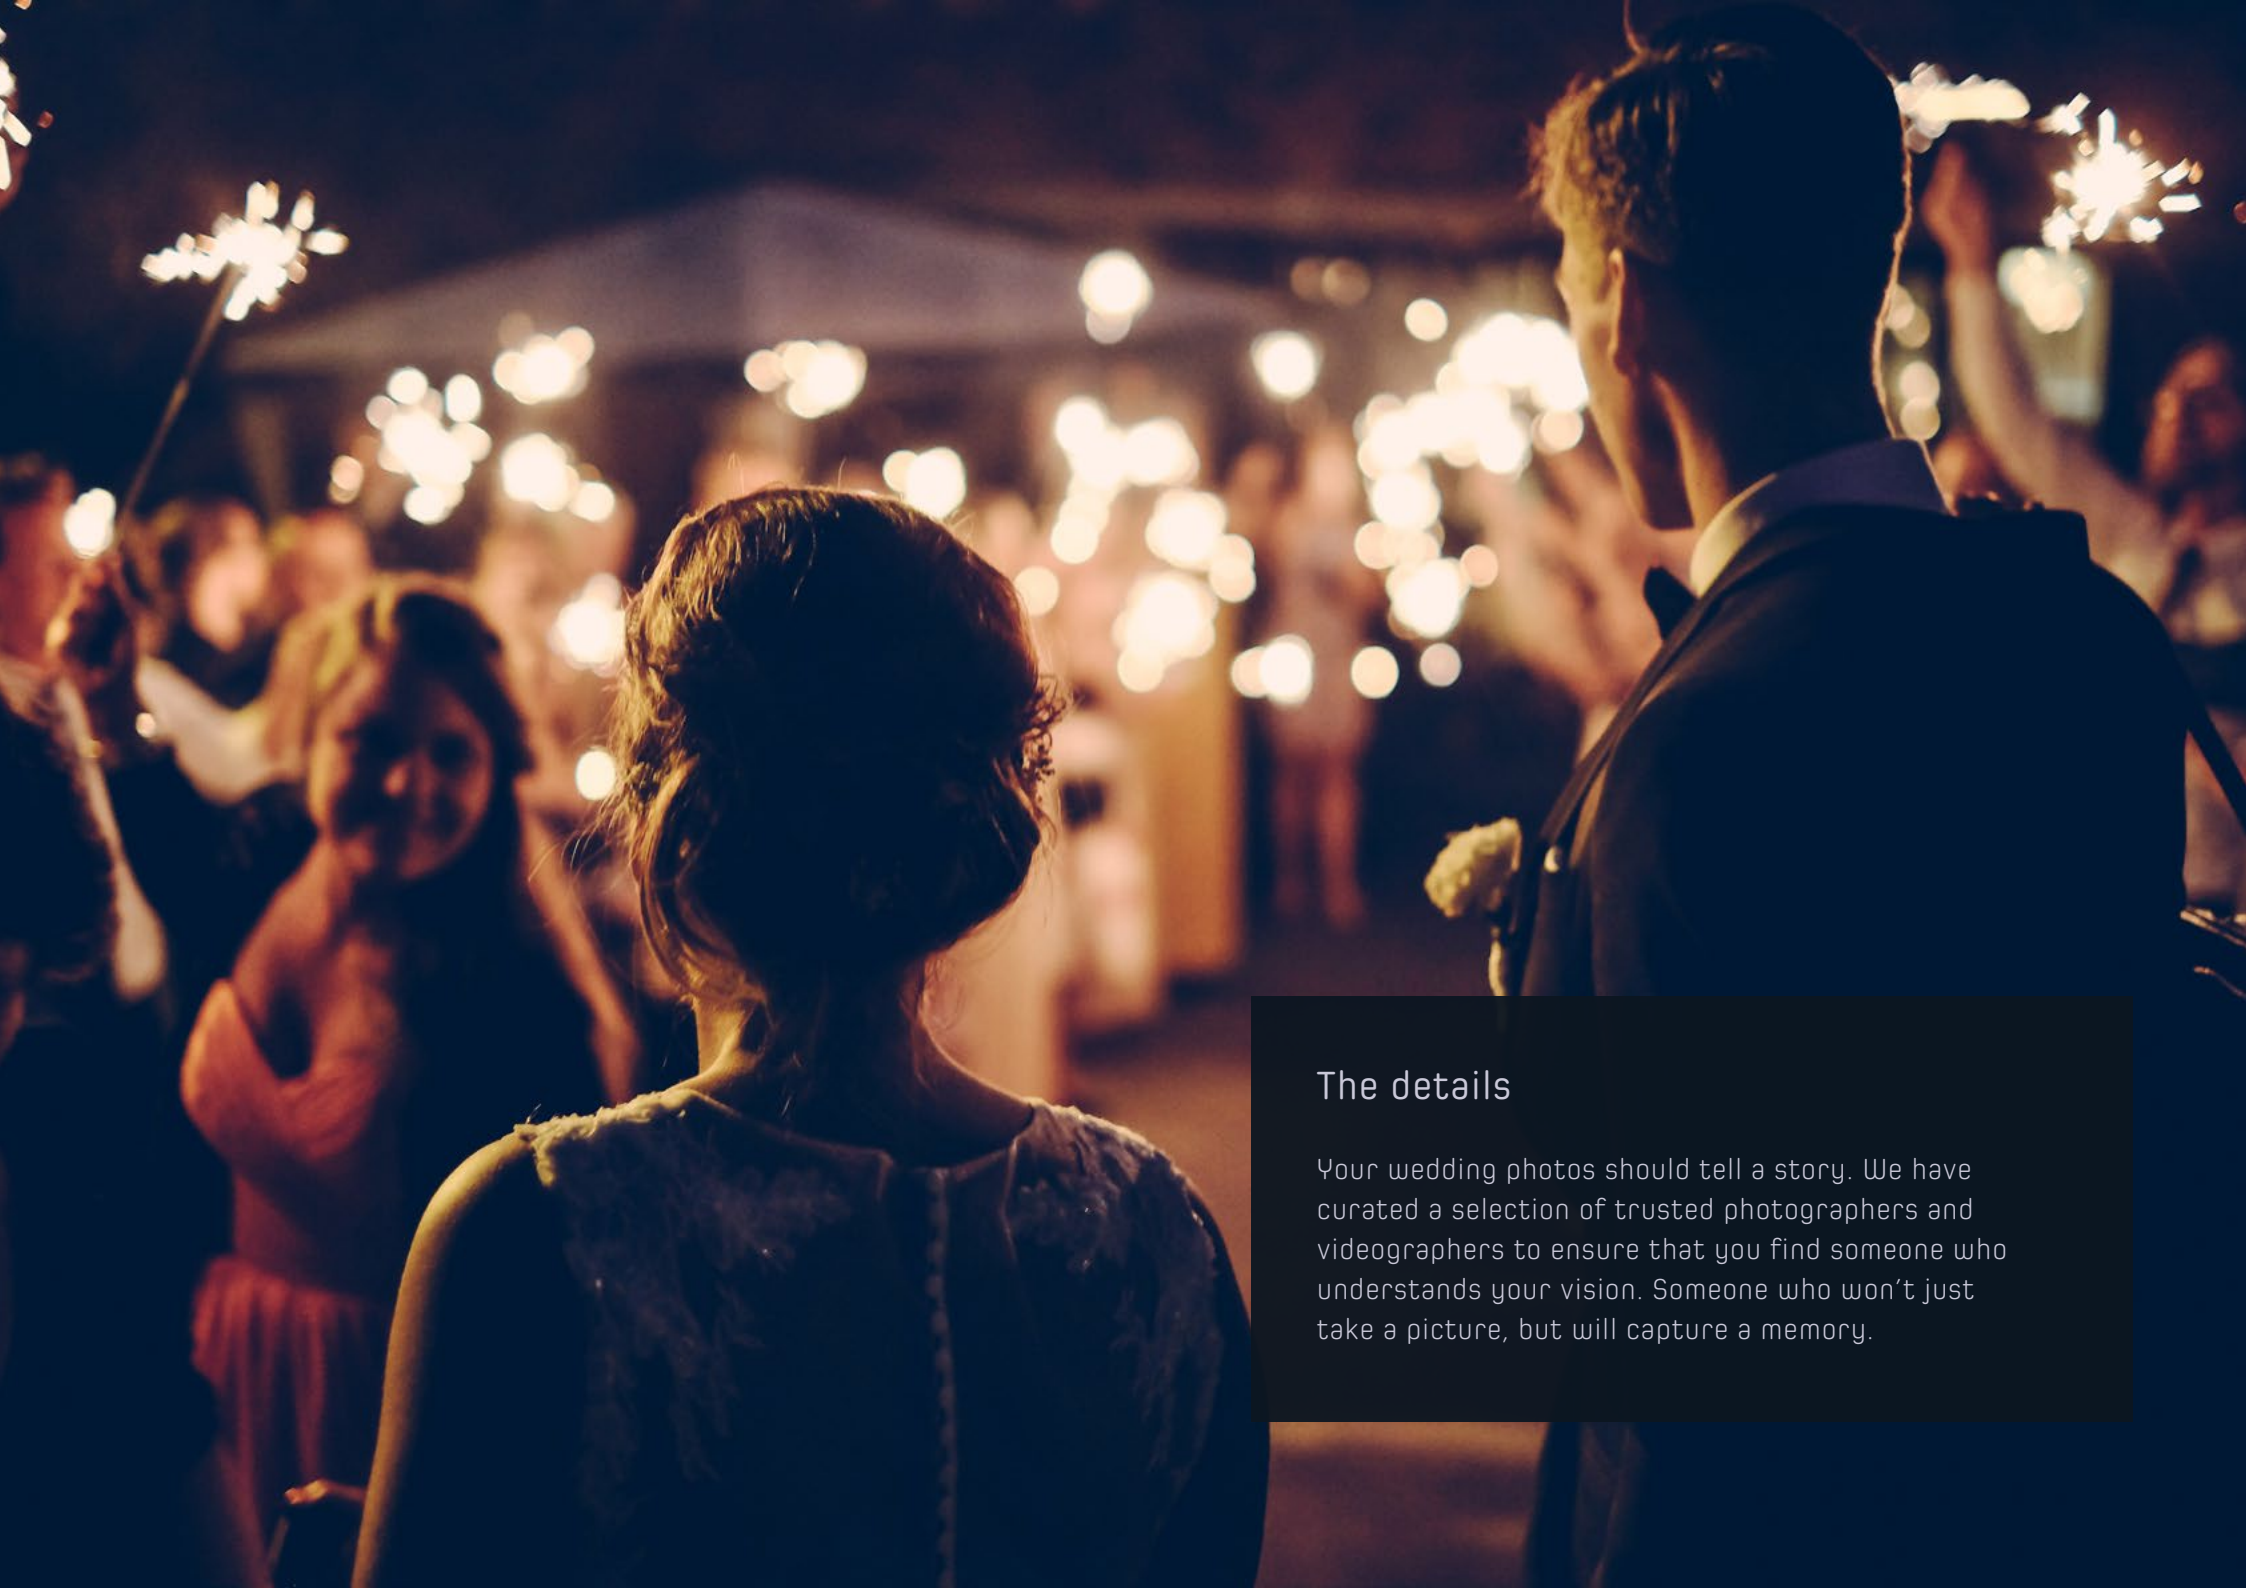

After the ceremony, meet your guests in one of our Le Bijou apartments for a gourmet apero before moving onto a private dinner and dancing. Our network of carefully curated partners includes some of the city's best musicians and DJs, as well as private chefs, caterers, mixologists and entertainers.

## The details

We've thought of everything, so that you don't have to. Whether you plan your event at a single or multiple Le Bijou locations: we'll drive you there.

Our fleet of luxury cars are kitted out with Maybach interiors, mini fridges and big screen television, and are available at any time during your event, whether you're getting from the church to the reception, or you're heading out for the after party.

## The details

Your wedding photos should tell a story. We have curated a selection of trusted photographers and videographers to ensure that you find someone who understands your vision. Someone who won't just take a picture, but will capture a memory.
